Mark your calendars! We are 20 weeks away from the 20th annual Lights On Afterschool. It promises to be the biggest and brightest yet, with cities all across the country illuminating their skylines and landmarks yellow and blue to advocate for keeping the lights on after school. Want to be part of the action? Check out our blog post with event ideas for some inspiration:

Guest blogger Selena Levy works as a director of Training at California School-Age Consortium (CaSAC), a program working to support the mental health and wellness needs of out-of-school time staff and young people. Read Levy's three techniques for supporting a young person's social-emotional skills and mental health: <http://ow.ly/iFRq50uoRoF>

In a great win for afterschool, House Appropriators proposed expanding funding of 21st Century Community Learning Center programs by \$100M in the latest spending bill. Thank you to all of those who have advocated for these great programs and proved that afterschool works to help everybody. Click the link for a comprehensive review of the bill:
